

Moisturizer Pitches

Subject: Your Moisturizer is the Perfect Starting Point

Hello {{ First Name }}

What started out as a treatment for burn victims has revolutionized into a moisturizer for everyday use - [Oxygenetix](#) Hydro Matrix Moisturizer is changing the way of the beauty industry.

W/ ingredients such as patented Ceravita Complex & Hyaluronic Acid, your skin can absorb more oxygen, which stimulates skin cell production, as well as, improves skin texture and restores suppleness. These water-loving molecules replenish lost moisture.

Adding Oxygenetix moisturizer to your skin regimen will result in a replenished, hydrated and beautiful glow!

Let me know if you have any beauty roundups in the works that [@oxygenetix](#) would be a great fit for!

I'd love to send you a sample to test out yourself.

Subject: The Moisturizer That Has Revolutionized the Skincare World

The skincare industry has become saturated and easier to get involved in than ever before- however, how many skincare brands do you know were created with the intention of helping BURN VICTIMS? [Oxygenetix](#) was created with one focus- YOUR SKIN.

The ingredients put into the foundations & moisturizer have been carefully curated by the medical elite. Patented Ceravita Complex allows your skin to absorb more oxygen, which stimulates skin cell production, it also treats and covers skin conditions, soothes the skin with aloe-based gel, AND is certified cruelty free and vegan.

(before & after pic maybe)

Oxygenetix is also beneficial for normal, dry, and oily skin, anyone can add it to their skin routine and see tremendous change over short period.
