Pls let me know if you'd like me to send over a sample for you to test yourself!

Have a great week!

Subject: Step Your Skincare Routine Up this Skincare Awareness Month!

September is national skincare awareness month and let's admit it, after these hot summer months your skin is begging for some rehydration & life!

[Oxygenetix](#) hydro matrix moisturizer provides long lasting hydration, improves skin texture & restores suppleness by using an Aloe gel, green tea extract, and grape seed extract!

(PIC)

[Oxygenetix](#) patented ceravita complex allows your skin to absorb oxygen and stimulates cell production, helping your skin to heal from the summer.

Pls let me know if I can provide you with some more information & send over some sample.

Have an amazing week!

Subject: Use THIS Product to Resolve Post-Procedure Redness

Picture this, you decided to get a facial treatment the same day as a high-end event, you think it will clear up by the event, however, it hasn't. You start panicking because all of your current foundations clog pores, are heavy weight, and not breathable.

What if I said I had a solution? [Oxygenetix](#) was specifically created for burn victims, in other words, it was created as an after-care treatment for redness and irritated skin.

(before & after gif)

This technologically designed [foundation](#) covers & treats post- procedure concerns, helps build collagen and elastin, allows your skin to breath, has SPF 30 AND, vegan. What more can you ask for?

Let me know if you have any upcoming beauty roundups coming up that Oxygenetix would be a good fit for!
